I consent to receive my bank statement(s) for the above-reference account(s) electronically rather than in paper form. I acknowledge that I need to have Adobe Acrobat Reader installed on my computer to view my statements. I understand that I may withdraw my consent at any time and that if I resume receiving paper statements I may be subject to a fee, if applicable. I must withdraw my consent in a written request signed by me. I also understand that if I elect to resume receiving paper statements that my statement cycle will revert back to a regular statement cycle rather than a month end cycle. If I desire to obtain a paper copy of any of my statements or transactions I may do so according to the fees and terms published by the bank.
